

Dear Mega Show Exhibitors,

Thank you all for your prompt response to our survey.

It is with great reluctance but careful consideration that the Somerset County Chamber of Commerce and the Somerset County Builders Association move to postpone the 2020 Megashow: Home, Garden and Business Expo on March 27th, 28th, and 29th, in response to the global COVID-19 pandemic. With all the unknowns about the virus, its spread and its potential to impact everyone, our priority is the health and safety of our exhibitors and guests.

This was not a decision that was made lightly. After the most recent announcements from the World Health Organization, the president of the United States, and the PA Governor's Office, we feel that the need to prioritize the health and safety of our community members, businesses, and our residents requires us to take this step. The 2020 Mega Show: Home, Garden, and Business Expo committee is looking forward to selecting a new weekend to host one of the largest attended events in the county. We will do our best to keep you informed as the situation develops and let you know immediately when the new dates are set. We will make every effort to avoid conflicting dates with other events that are also being postponed, and would appreciate your help in making us aware of any potential conflicts.

The Mega Show committee will carry over your reservations and payments to the new date (to be determined); however, we understand this may conflict with your business schedule and will refund your payment if you are unable to attend.

Thank you for your patience and understanding during this unprecedented time.

If you have additional questions or need information please contact the Somerset County Mega Show Coordinator at 814-431-8617 or somersetcountymegashow@gmail.com.
